

9th Annual ARI Walk for Independence

Over 300 people, including ARI consumers, families, friends and sponsors, walked at Cove Island Park, on Sunday, May 3, to raise close to \$30,000 for ARI.

ARI President and CEO, Susanne Kuligowski welcomed the crowd and thanked Stamford Mayor David Martin and State Legislator Caroline Simmons for showing their support of our agency. Warm-up exercises were led by Eleanor Casale of Dance with El before members of the Stamford Police led the 3-mile walk around the park.

Breakfast and lunch were generously provided by Darius Jamshidian of the West Main Street SUBWAY, the Cingari family of ShopRite, and Liz Sue Bagels. In addition, Charles Wieseahn donated his time to take photos during the event.

We would like to thank the many corporations, local businesses and families that sponsored the Walk, including Race Sponsor – Stamford Hospital, Distance Sponsor – The Umbrella Club, Race Promotion Sponsor – Fleet Feet of Stamford, Media Sponsors – Stamford Plus Magazine and The Stamford Advocate, Food/Beverage Sponsors – Subway of West Main Street, ShopRite, W.B. Mason, and Liz Sue Bagels, Print Sponsor – MBA Graphics, and our many Pace Setter, Mileage and Team Sponsors. For a list of all sponsors visit www.arict.org.

Time really flies! I can't believe it has been seven months since I returned to ARI! And what a busy time it has been! I have thoroughly enjoyed getting reacquainted with so many consumers, staff and family members from the past and meeting many others for the first time.

Over these past several months, I have been thrilled to see that so many of our consumers are happy, thriving, and looking forward to achieving greater levels of independence. Our staff is dedicated to helping each individual we serve reach their personal goals. We have begun to grow our day program services, welcoming both high school transition students and individuals referred by the Bureau of Rehabilitation Services. We look forward to continuing to expand our services in our day program and also in residential services.

Unfortunately, we are facing many challenges that make our day-to-day work very difficult. ARI has been struggling financially for the past few years, and that continues today. This is primarily due to cut-backs in state funding and somewhat due to the loss (for several different reasons) of consumers and our inability to fill those vacancies. This has and will continue to require us to cut back on our staffing, to require our staff to do more with less, and to impact the services we are able to provide.

Now, more than ever before, we are dependent on our ARI family and friends for support. This does not only mean that we are asking you to make a donation to support this great organization. We are asking you to reach out to your network of personal and professional contacts, attend and support our events, volunteer your time and talents. Tell everyone you know about ARI and the services we provide that make such a difference in the lives of your loved ones. If you have not yet supported our annual fund, please do so today by clicking the donate tab on our website. I look forward to seeing many of you at our upcoming 20th Annual Lotstein/Martin Golf Tournament on July 30 and the new Gospel Concert for Independence on September 27. If you have any questions about donating or volunteering, or you have information about grant or sponsorship opportunities for ARI, please contact Gerard Gasparino at gasparinog@arict.org.

We continue to provide vital services to those who have chosen ARI and we know there are many more in our community who need our services. We also know that there are opportunities for program expansion, diversification of revenue (so that we are not as dependent on the state), and ways that we can adapt, change and grow to help ensure that we are here to provide the services you have come to depend on. But we can't do this alone. We truly need the help and support of our friends and families.

I look forward to partnering with you in many ways so that together we will continue to make dreams come true.

Residential News

We continue to strive to maintain the highest standard of safety, security and enjoyment for our residents. We are proud to announce that, so far this year, three group homes have received a two-year license. This is the highest obtainable level for a group home. One home recently had a great inspection and our final home will be up for inspection in June. We expect successful outcomes at these sites as well.

On June 3, a volunteer group will be painting at Sunrise Ridgefield Cottage and on June 10, a volunteer group will be painting at our Truglia Residence, here in Stamford.

Unfortunately, over the winter, we had a major pipe burst, causing major damage at our Tally Ho Residence. Thanks to the Residential team, there was a smooth transition for all of the seven residents who were forced to relocate for two months. This was a tough time for both consumers and staff, but everyone persevered. After all the damage was fixed, the house reopened in April. We would like to thank Jenna Marie's Deli and Zody's at Sterling Farms for assisting with meals during this time.

For more information on our Residential Program please contact Patti Scialis, Director of Residential Programs at (203) 324-9258 ext. 3018 or email scialis@arict.org.

Knights of Columbus Gift

ARI received \$10,000 on Sunday, April 12, from the Knights of Columbus. We are most grateful for this generous, annual gift.

Day Services

We have begun providing services for one high school student, assisting in her transition into adult services. She has blossomed in her short time at ARI, working on new skills and meeting new friends. We have plans to expand our School to Adult Day program and hope to have at least one new student begin next month.

The grand opening of the Day Service Snack Bar will be in June. The snack bar will allow consumers, staff and guests the opportunity to purchase healthy snacks and drinks while providing the opportunity for consumers to acquire money, communication and management skills. The consumers, with supervision from day program staff, will purchase items, maintain inventory and sell items, while building their confidence to work in the community. All proceeds will be used to purchase necessary program supplies.

You can help! We need a full-size refrigerator! If you have one, or know someone who does, please contact us. Also, any donations of healthy snacks or drinks would be most welcomed.

Last month, our Sheltered Employment program prepared 300 bags for distribution for Memorial Day in the Hamptons. This is the second year that we have prepared these bags. Jane Udell-Meyer of Madison and Mulholland is both impressed by and thankful for the work done by the consumers of ARI.

The Landscaping and Housekeeping crews continue to maintain both residential and commercial contracts. We continue to look for new contracts.

For more information on our Day Programs please contact Darlene Caviness, Director of Day Programs at (203) 324-9258 ext. 3027 or email cavinessd@arict.org.

Gospel Concert for Independence

SAVE THE DATE!! ARI Board Members, Renee and Eric Brown, and Calvin Chapman, are initiating a very special ARI fundraising event on September 27, 2015 at the Norwalk Concert Hall. So far, they have secured several renowned performers for this inspiring evening of music and giving. Mr. Brown's group *Basic: Brothers & Sisters in Christ* will be joined by *Kevin Monroe & The Monroe Singers*, *Vision Community Steppers*, *The Good News Gospel Choir*, and more.

ARI Artists Initiative

The ARI Artists' Initiative was founded 12 years ago by local, accomplished artist Donald Axleroad. Under his leadership, the class gave people with disabilities the opportunity learn and grow as artists. Since its inception, the class has offered these artistic avenues to nearly 20 students. Currently, the class is taught by artist and professional photographer Charles Wieseahn. The Artists' Initiative goal is to allow the students to reach for a higher level of independence by giving them a feeling of self-worth and importance through art. Students work continues to be featured in local art shows, including a show at the Greenwich Art Society in November of 2014.

Unfortunately, due to the troubling economic times, and loss of a major funder of the class, we are in need of sponsors and partners. If we do not receive funding for the class, we will be forced to either charge students to participate or discontinue the class.

To ensure the continuation of this great program, we have begun selling greeting cards, featuring beautiful artwork by members of the Initiative. These cards showcase their extraordinary work and innate ability, while establishing a potential funding base. Each greeting card is 5x7" and includes a matching envelope. They cost \$5 each or \$20 for 5. To see and purchase the cards, please visit our website or contact Gerard Gasparino at (203) 324-9258 ext. 3023, or email gasparinog@arict.org.
